

REMARKS

In an Amendment and Response dated November 14, 2005, the applicant responded to an outstanding Office Action, amended several claims of the pending application, and added several new claims. In a Notice of Non-Compliant Amendment, dated November 30, 2005, the applicant was notified that the Amendment and Response was non-compliant as it failed to provide status identifiers for all of the listed claims.

In response to the Notice of Non-Compliant Amendment, the applicant has re-recited the entire claim set as set out in the Amendment and Response dated November 14, 2005, and has added the missing status identifiers and corrected one previously supplied status identifier. In view of the foregoing, the applicant respectfully requests that the Notice of Non-Compliant Amendment be withdrawn upon reconsideration of the application. If the Examiner feels that a telephone conference would be helpful to resolve any remaining issues, the Examiner is respectfully requested to contact the undersigned attorney at (847) 576-3635.

Respectfully submitted,

Colin Frank
